About Kevin

Kevin has been in pastoral ministry for over 25 years and has a B.A. in Biblical Studies and a M.A. degree in Church Leadership from Vanguard University. Kevin oversees the Firestarter Class, which equips and empowers newcomers and new believers to live as revivalists – healing the sick, prophesying, and supernatural evangelism. He is also the director of Bethel Church's Firestorm ministry, which sends teams to local churches for the purpose of demonstrating the revival culture of Bethel Church, as well as imparting, empowering, and activating the church to live naturally in the supernatural, so that the atmosphere in both the church and the community is transformed. Kevin also speaks at conferences and churches world wide, focusing on healing and supernatural evangelism. He also teaches revival theology in the School of Supernatural Ministry. Kevin is the author of two books: **The Ultimate Treasure Hunt**, and **Unlocking Heaven: Keys to Living Naturally Supernatural**.
