Speakers

Dawna DeSilva is the Founder and Leader of the International Healing and Deliverance Sozo Ministry birthed at Bethel Church. Dawna is also a leader of the Transformation Center at Bethel. Whether training pastors and leaders in Sozo, teaching on destiny, or ministering prophetically, she releases people, churches and cities into new vision and freedom. No matter how traumatic the woundings, Dawna ministers with authority and gentleness, imparting hope and healing.

Dawna travels nationally and internationally teaching Basic and Advanced Sozo seminars. She also teaches on the prophetic and physical healing.

Stephen DeSilva is the Business Administrator of Bethel Church and owner of his own CPA firm in the Redding area. He is fully invested in the revival God is bringing in this day to the church and marketplace. He is committed to equipping people in maintaining financial integrity through insightful teaching that empowers revivalists in His Kingdom economy. Stephen is committed to the ideology of "Thy Kingdom Come" invading every area of business through prophecy, intercession, and practical application which result in a prosperous soul.

Seth Dahl is currently the Children's Pastor at Bethel Church as well as overseer of Sidewalk Sunday School, but before either of these he is a son of God. Seth ministers to both children and adults, making his ministry unique in that it includes prevention as well as intervention. With the children, he is raising up a generation who encounter God and experience His works, preventing them from living a life of Christian form without the Reality. With adults, Seth brings intervention in the areas of religion and performance, with revelation of what Jesus did to us, and not just for us. He ministers the Father's heart and joy for not only the church, but for the lost as well.

Randy Hill has the same mission after over 35 years of ministry: to see hurting people made whole by coming to know the reality of God's love for them. As the founding pastor and senior leader of The Summit Church in Wylie, Texas, he strives to accomplish this by working to bring churches together to change the spiritual atmosphere over North Texas. His greatest desire is to see the church raising up children to become fathers and mothers in the Kingdom. He sees getting people healed both inside and out as the key component in helping people grow out of spiritual immaturity, selfishness and brokenness; instead becoming spiritual leaders and world changers.

Randy ministers with his wife Dana, his 3 adult daughters, and an active and enthusiastic ministry team.
