

Healthy Child Policy

No sick children will be accepted into any children's ministry event. If you have any questions, please contact Pastor Gwen Leatherwood at gwen.leatherwood@summitchurchwylie.org

If a child's sickness is discovered or he/she becomes sick the guardian will be notified immediately to come check out their child from class.

Children should remain with their parents if they have any of the following symptoms:

1. A fever over 100 degrees within the last 24 hours
2. Vomited within the last 24 hours
3. Unexplained rash or weeping sores
4. Diarrhea
5. Yellow, greenish, thick mucus discharge from eyes or nose
6. Lice

The diapering of an infant or toddler should take place in the nursery room under the observation of another volunteer.

- Lay the child on the clean mattress pad, making sure that one hand is on the child at all times.
- Please make sure you either, wear the gloves that are provided or use hand sanitizer before changing the child's diaper.
- Change diaper and use wipes provided.
- Roll diaper up and place in the trashcan.
- Dress the child and move them to a safe place.
- Clean area with disinfecting wipes.
- Please take the trash out during clean up time at the end of your serving time.

The Big Class

Rules to Have Fun!

1. Listen to the teachers
2. Be Respectful
3. Participate
4. Keep your shoes and
name tags on
5. **Have Fun!**

Rules for the Littles

Class

- Listen to the teachers
- Keep your hands to yourself
- **Have Fun!**
